This Season**

Free Excavation Safety Seminars
at www.must-ne.com

Attend a Free

**Excavation
Safety Seminar**

Full Hot Breakfast Included

"The Perfect Excavation"

Prepare your crew for a season of safe work around our growing underground infrastructure in Massachusetts.

Learn to stay in compliance with the "Dig Safe" law.

Topics also include an overview of typical utility markings, procedures to work safely around underground facilities, and an open forum for Q & A.

Who Should Attend?

Contractors

Excavators

Irrigation & Septic System Installers

Groundskeepers

Landscapers

Design Engineers

Surveyors

LP Operators and Installers

Facility Locators

Public Works Departments

Public Utilities

Safety Directors
