

Unitil is actively committed to enhancing quality at all levels of the Company, a commitment that will help us meet the challenges of the rapidly-changing utility industry.

We offer highly competitive salaries and outstanding benefits to qualified candidates and are an Affirmative Action/Equal Opportunity Employer.

Unitil employees have an energy for life they bring to work every day. Do you?

#### Position Concept

Supervise, plan, schedule and complete the construction of the Maine Cast Iron Replacement Program. This person will be responsible for the effective management of all resources required to meet the Company's project schedule and regulatory obligations, while ensuring the reliable, efficient and safe delivery of gas service to customers affected by the project. Develop and maintain scope, schedules and budgets for personnel, materials, and other resources as required to ensure the completion of the Maine Castliron Replacement Program. Establish and articulate project goals, priorities and expectations. Supervise the work of Unitil field supervisory personnel (field inspectors) and contract field crews to ensure efficient and effective performance. Manage relationships with contractors, customers and the community to resolve conflict and ensure effective work practices. Ensure that system operation, construction, and service activities comply with all federal, state, and local regulations, as well as company standards. Collaborate with other departments to ensure the effectiveness of the program and to foster successful relationships and project a positive image. Responsible for the financial performance and effectiveness of the project; ensure project budget results are achieved within established guidelines.

#### Qualifications

The successful candidate will have an Associate's Degree in Engineering, Business or equivalent work experience; 7 years of progressively responsible experience, including proven supervisory/management experience. Must possess Operator Qualification (O.Q.) certification based upon the requirements set forth in D.O.T. 49CFR192, Subpart N.

No phone calls please. AA/EOE
