SPRING OPERATIONS CONFERENCE

This operations-related conference helps to address current issues, from workplace safety to new technology applications. The 2024 Conference will include sessions on damage prevention, emissions reductions, emerging fuels and technology, and many other relevant topics. In addition, there will be general sessions with industry leaders focused on the future of the natural gas industry.

TARGET AUDIENCE

Natural gas utility operations, engineering, pipeline safety, and operator qualification personnel, natural gas field contractors and vendors, state regulators.

DATES

April 4–5, 2024

LOCATION

Hilton Saratoga Hotel
Saratoga Springs, NY

CONTRACTOR WORKSHOP

NGA's Annual "Contractor Workshop" is a great opportunity for contractors and suppliers to meet with utility companies to discuss the regional business environment.

TARGET AUDIENCE

Natural gas contractors, suppliers, and utility personnel that interface with field contractors and vendors.

DATE

April 3, 2024

LOCATION

Hilton Saratoga Hotel
Saratoga Springs, NY

REGIONAL MARKET TRENDS

NGA's Annual "Regional Market Trends Forum" addresses current market and policy issues impacting the Northeast market.

TARGET AUDIENCE

Natural gas industry personnel focused on supply planning, energy policy, strategic planning, regulatory and government affairs.

DATE

May 9, 2024

LOCATION

Hartford Marriott Downtown Hotel
Hartford, CT

GAS OPERATIONS SCHOOL

Bringing together eager students, knowledgeable instructors, and leading natural gas related companies to grow their knowledge of the natural gas industry.

TARGET AUDIENCE

Students: natural gas industry personnel that are looking to build their knowledge and skills. Sessions include "101 level" for those new to the industry as well as advanced tracks for those looking to enhance their skill set.

Exhibitors: Vendors looking to showcase their products or services while helping students learn.

DATES

June 3–7, 2024

LOCATION

Bryant University
Smithfield, RI
