

LNG Compliance Supervisor

Position available at Eversource Energy Service Company in Southborough, MA for LNG Compliance Supervisor. Monitor LNG facilities' adherence to the code of federal and state regulations regarding safety, regulatory compliance, and environmental responsibility. Supervise and assign duties to LNG compliance coordinators. Develop operational training programs to address core competencies necessary for operational and maintenance compliance requirements. Manage third party contracts supporting environmental compliance activities. Compile data and respond to information requests from the Department of Public Utilities (DPU), the Public Utilities Regulatory Authority (PURA), Pipeline and Hazardous Materials Safety Administration (PHMSA) and the Department of Environmental Protection (DEP). Perform regulatory audits of LNG facilities. Apply: Laurie Shuckerow, Eversource Energy, at laurie.shuckerow@eversource.com. Please Reference Job ID: SLNGC22ND
