

**R-007690 Supervisor, Gas Supply Instrumentation & Regulation**  
**Location: New Bedford, MA**

Eversource Energy is the largest Energy delivery company in New England. We support 3.7 million Gas and Electric customers across CT, MA and NH. Be a part of our mission to deliver reliable energy and superior customer service. *ENERGY- BRINGS US TOGETHER!!*

**Job Description**

This position contributes to providing a reliable and continuous supply of natural gas to customers while ensuring the safety and well-being of customers and employees by supervising activities of Gas Supply Instrumentation and Regulation personnel in multiple geographic areas. Ensures achievement of goals and objectives consistent with the Company direction.

- Supervises area instrumentation and regulation activities consistent with Company standards and policies. Provides leadership, communication and direction for the respective area workforce.
- Responsible for standardization of work practices and procedures.
- Conducts safety and technical training programs for field personnel.
- Plans, coordinates and schedules the installation, repair and calibration of field instrumentation and regulation in accordance with state, federal and industry codes.
- Administers the Company's natural gas odorization programs.

**Qualifications:**

*Technical Knowledge/Skill:* Requires a high degree of technical knowledge in the area of instrumentation and regulation (I&R) and a thorough understanding of I&R field operations. Also requires superior organizational project planning, leadership and communication skills.

*Education:* Requires a Bachelor's Degree in relevant discipline. Equivalent experience may be considered.

*Experience:* Minimum of seven (7) years related experience.

*Licenses & Certifications:* Must possess a valid Massachusetts Driver's License

Other: Federal Operation Qualification requirements apply. This is a safety sensitive position and subject to random drug testing.

Responding to emergency situations to meet customers' needs is part of every employee's role. If employed, you will be given an Emergency Restoration assignment. This means you may be called to assist during an emergency outside of your normal responsibilities, work hours and location.

**EEO Statement**

Eversource Energy is an Equal Opportunity and Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to age, race, color, sex, sexual orientation, gender identity, national origin, religion, disability status, or protected veteran status.
