

2022 Gas Operations School

Student Registration Information

Student Registration

Deadline: May 20, 2022

Registrations received after this date will incur a late registration fee. This applies to all variations of registration.

It is strongly recommended that all registrations be made in advance of the School. Registrations can be submitted by using the form provided on NGA's website, or by online registration using the login method. On-site registrations are not recommended.
