

PMT-LNG Training Consultant

Lakewood, New Jersey

New Jersey Natural Gas is seeking a PMT-LNG Training Consultant to develop, coordinate, monitor and implement all aspects of operations and maintenance training for Energy Delivery. Assist other NJR affiliates such as Home Services and Marketing as needed.

To apply:

<https://usr55.dayforcehcm.com/CandidatePortal/en-US/njr/Posting/View/461>

Major Responsibilities:

- Responsible for training and operator qualification of Pressure Measurement and Transmission department employees.
- Implement all apprentice training programs in accordance with company standards
- Continuously assess training needs of all departments within Energy Delivery
- Ensure the operator qualification requirements of the company and its contractors are in compliance with our OQ Plan and 49 CFR 192
- Maintain training records
- Maintain and create new current lesson plans according to company policies, procedures and standards
- Maintain effective relationships with vendors of equipment and materials used by our employees and contractors
- Be prepared for injects from our internal customers
- Work with our safety department to ensure that all employees are trained in accordance with current OSHA requirements
- Conduct supervisory training as needed
- Perform other duties assigned by the manager of training and field support

Position Specifications:

- At least five years of relevant experience in natural gas in operations and maintenance, including pipelines, valves, metering and regulating stations and facilities; commercial and industrial meter sets is required; must have fundamental knowledge of natural gas and cryogenic properties, and should be familiar with basic LNG operations and equipment
- Excellent communications skills, both written and verbal are required
- Strong interpersonal skills
- Proficient in MS Office and must be familiar with various personal computing applications
- Natural gas utility experience is highly preferred
- Field travel required for training outside the classroom

* The above job description is reflective of the primary duties of this position and in no way limits the supervisor from assigning any other duties, responsibilities or initiatives as deemed necessary.
