

Job Posting

Position Title: Manager, Gas Transmission and Corrosion Control	Reports to: Vice President, Gas Operations
Company/Location: USC / Portsmouth DOC	Department: Gas Operations
Starting Salary: \$108,176 to \$135,220 / annually	

Position Purpose

Responsible for the supervision, planning, scheduling, and completion of the construction, operation, maintenance, and inspection of the Granite State Gas Transmission System and Unitil’s Corrosion Control program. Responsible for ensuring these areas of functional responsibility are constructed, operated, inspected, and maintained following all applicable regulatory requirements, safely and efficiently, and ensuring all personnel are appropriately trained and qualified to industry and regulatory required standards. Accountable for the effective management of local resources to meet the Company’s mission and goals while ensuring the reliable, efficient, and safe delivery of natural gas. Collaborates with operations and engineering colleagues to ensure the effectiveness of operations business processes and practices. Works with Communications and Customer Service personnel to foster successful relationships between Unitil and its service area communities and customers. Ensures that all work activities and interactions with customers, community leaders, and regulators reflect the highest standards for conduct and professionalism.

Qualifications

- Bachelor of Science Degree in engineering or curriculum compatible with the requirements of the position.
- Ten years of progressively responsible experience, including proven supervisory/management experience in transmission operations, pressure regulation and corrosion control.
- Must possess Operator Qualification (O.Q.) certification based upon the requirements outlined in D.O.T. 49CFR192, Subpart N.
- Strong technical background in all aspects of transmission operations and corrosion control.
- Must be available for duties during times of system emergencies.

Unitil is an Affirmative Action/Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected veteran status, age, or any other characteristic protected by law.
