<b>Position Title:</b> Energy Efficiency Programs - Project Leader	<b>Reports to:</b> Manager, Admin and Compliance
<b>Company/Location:</b> Unitil / Portsmouth DOC	<b>Department:</b> Customer Energy Solutions
<b>Starting Salary:</b> \$69,541 to \$86,927 / annually	

## Position Purpose

Work in collaboration with internal customer engagement team as well as external parties to effectively design, administer, evaluate and manage regulatory compliance processes for highly dynamic energy efficiency programs offered in Unitil's electric and gas service territories in New Hampshire and Massachusetts, while fostering productive regulatory communications and relations among Unitil, other utility partners, stakeholders and regulatory agencies.

## Qualifications

Bachelor's degree in a quantitative discipline, preferably economics, statistics, or mathematics; minimum of four years of directly applicable professional experience in a utility or regulatory environment; must have supervisory experience; strong analytical and organizational skills, strong oral and written communication skills, and advanced computer skills in Microsoft Excel. Extremely detail oriented and organized.

Unitil is an Affirmative Action/Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected veteran status, age, or any other characteristic protected by law.
