

# Job Posting

Position Title: <b>Transmission Technician</b> ( <i>Apprentice to First Class</i> )	Reports to: Supervisor, Transmission Operations
Company: Unitil/Granite State Gas Transmission	Department: Gas Operations
Hours: Monday - Friday (7:30 a.m. to 4:00 p.m.)	Date: 10/22/2021

### Position Purpose:

The individual in this position performs activities required to safely operate and maintain the high pressure natural gas transmission pipeline in accordance with local, state and federal regulations.

### Qualifications:

- High School education or equivalent.
- Must possess electrical and electromechanical skills necessary to perform the above stated duties, including, but not limited to, the use of Volt-Ohm meters, deadweight testers, electronic diagnostic and calibration equipment, odorant intensity testing and pipe locating equipment, and the use of hand and power tools.
- Must possess the skills to operate and maintain leak detection and monitoring equipment including: CGI's, Flame Ionization equipment, and fixed Gas Detection Systems.
- Must be proficient in the use of computers.
- Must be capable of walking long distances over rough and varying terrain.
- Must have normal sense of smell and be capable of qualifying for odor detection testing.
- Must have the ability and aptitude to perform duties independently in a safe and professional manner.
- Must be able to obtain applicable Operator Qualification (O.Q.) certification commensurate with the progression grade based upon the requirements set forth in 49 CFR 192, Subpart N.
- Must pass a pre-employment D.O.T. drug screen, if not presently in a covered position.
- Must possess and retain a D.O.T. physical certificate.
- Must possess and maintain an unrestricted Motor Vehicle Operator's License.
- Must have the ability to complete and maintain required records satisfactorily.
- Must be in good physical condition, regular in attendance and maintain a good safety record.
- Must be able to accept assignments in a company-declared emergency, be available to work overtime and be on standby rotation.
- The reporting location is Portsmouth, NH. Must reside in the Granite State Gas Transmission territory.
