

Position Title: Supervisor, Gas Service	Reports to: Manager, Gas Distribution
Company: Unitil/NU – Portsmouth, NH	Department: Gas Operations
Starting Salary: \$80,768-\$100,960 annually	

Position Purpose

Responsible for the effective supervision of personnel and equipment used for the installation and servicing of customer appliances and other gas utilization equipment; the fabrication and installation of meter fits and customer metering; the inspection and repair of company piping systems; and the oversight of emergency first responders including the restoration of gas facilities during system emergencies. Also responsible for the design and completion of projects in accordance with company standards, state and federal codes, while ensuring the reliable, efficient, and safe delivery of gas distribution service to customers. Responsible for the planning and scheduling of such projects to ensure timely completion and within acceptable budgetary tolerances. Professionally interact with customers, regulatory authorities, and employees to ensure the company satisfactorily meets their needs. Maintain a State of New Hampshire Mechanical Business Entity License and provide oversight for non-jurisdictional work performed by licensed Unitil technicians in accordance with the New Hampshire Department of Safety, Division of Fire Safety.

Qualifications

- Associate Degree in Engineering, Business or equivalent work experience.
- Ten years of progressively responsible experience in jurisdictional gas utility operations, including proven supervisory experience.
- Ten years of experience with the installation and service of customer appliances and other equipment.
- A State of New Hampshire licensed Master Plumber or Fuel Gas Service Technician.

Unitil is an Affirmative Action/Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected veteran status, age, or any other characteristic protected by law.
