Position Title: Supervisor, Technical Training & Learning Development	Reports to: Manager, Technical Training & Quality Management
Company: USC / Portsmouth DOC	Department: Operations

Our Company

More than a utility company, Unitil provides energy for life.

Our work helps keep homes comfortable, businesses thriving and communities connected. Unitil is an investor-owned public utility proudly serving Maine, Massachusetts and New Hampshire. We are dedicated to delivering energy to our customers safely and reliably.

Unitil is committed to creating an inclusive environment that welcomes and values the differences among all of our employees, customers, suppliers and the communities in which we live and conduct business. The continued success of Unitil is enhanced through initiatives that promote diversity and value our employees.

Take advantage of a comprehensive benefits package.

Unitil offers competitive salaries, a consumer-driven health plan, dental and vision coverage, flexible work, company-paid holidays, a robust, highly competitive retirement plan and educational assistance.

*Note: Benefit offerings may differ between union and non-union employee groups

Position Purpose

This position designs, develops, coordinates and conducts effective safety, regulatory and technical training programs for gas operations. Implements these programs to ensure full compliance with the Company safety policies, programs, and existing and future government regulation. Provides technical support requiring extensive knowledge of gas pipeline construction, operation and maintenance; transmission practices; liquefied natural gas, and liquefied propane production facilities; operator qualification and recordkeeping and reporting requirements.

Qualifications

- Associates degree in engineering, business administration or curriculum compatible with the requirements of the position or equivalent work experience.
- Seven years progressively responsible experience in gas operations and construction, engineering, meter and service, LNG and LPG production facilities or directly related experience with emphasis on industry work practices and regulatory requirements.
- Demonstrated experience in working and communicating across functional boundaries, interacting with bargaining unit workforce and leadership.
- Background in code compliance with an understanding of all applicable codes, i.e. 49 CFR 192, 49 CFR 193, CMR 220, NH PUC 500, NH PUC 800, ME PUC 420, NFPA 58/59 and NFPA 59A.
- Ability to use desktop applications (e.g., Microsoft Word, Excel, and PowerPoint)
- Must possess Operator Qualification (O.Q.) certification based upon the requirements set forth in D.O.T. 49 CFR 192, Subpart N

Unitil is an Affirmative Action/Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected veteran status, age, or any other characteristic protected by law.
