

Job Posting

Position Title: Systems Operations Technician / Apprentice – Class I	Reports to: Supervisor, Gas System Operations
Company: Unitil / NU-Portland DOC	Department: Gas System Operations
Ultimate Wage: \$26.16 to \$41.82 (until 3/27/22)	

Position Purpose:

To perform activities required to operate and maintain all gas production and gas supply equipment, including but not necessarily limited to LNG plant equipment, pressure regulators, critical valves, odorizers and telemetering equipment. To ensure that these activities are performed in accordance with Federal and State regulations as well as company policy, company procedures and management objectives. To provide services as an emergency gas leak first responder with the objective of ensuring public safety and protecting company assets. To ensure the timely and accurate completion of all necessary records, timesheets, paperwork and documentation needed for accounting, regulatory, asset management and related purposes. Professionally interact with customers, regulatory authorities and employees to ensure that the company satisfactorily meets their goals.

Qualifications:

- High school diploma or equivalent.
- Must have knowledge and be proficient at LNG plant operations.
- Must have knowledge of telecommunication and SCADA systems.
- Must be able to pass a general olfactory test
- Must have some knowledge of welding
- Must have demonstrated mechanical ability and aptitude to perform the above duties in a safe and professional manner
- Must be proficient in the use of personal computers.
- Must be able to obtain applicable Operator Qualification (O.Q.) certification based upon the requirements set forth in D.O.T. 49 CFR 192, Subpart N.
- Must pass a DOT drug screen, if not presently in a covered position.
- Must maintain a valid Driver's License based on the requirements of the State of Maine and/or the State where the employee resides.
- Must have the ability to effectively communicate.
- Must be able to work independently and exercise good judgement.
- Must be able to pass a Pulmonary Function Test and be in good physical condition.
- Must be regular in attendance and maintain a good safety record.
- Must be able to accept assignments in a company-declared emergency, be available to work overtime and participate in an on-call rotation
- Must be able to operate a forklift

Unitil is an Affirmative Action/Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected veteran status, age, or any other characteristic protected by law.
